

## HEREFORD & WORCESTER REGION

# PRIMARY CARE DATA SECURITY AND PROTECTION TRAINING 2019

The newly worked presentation for 2019-20 will provide:

- + General information governance procedures
- + Data Protection Legislation
- + Primary-care requirements
- + Guidance on data security, breach management, subject access requests, Data Protection Impact Assessments, contracts and agreements
- + Reviewing the Data Security and Protection Toolkit submissions in an easy-to-understand manner
- + Invaluable DSPT checklist to help in compiling evidence for toolkit submission
- + Experienced Information Governance Business Partner with specialist knowledge to deliver the tailored training sessions
- + 2-hours' worth of non-verifiable CPD
