

Antimicrobial Resistance in the Midlands: Where are we and what's happening next?

Date: **Tuesday 19th November 2019**

Venue: **NEC Arena, Birmingham**

Time: **09.30am for 10.00am start**, end 16.30pm

What's it about? Join us for a day of learning about strategies to manage antimicrobial resistance (AMR) in the Midlands and beyond, and work with a variety of colleagues to find novel solutions to the challenges that lie ahead

Who should attend? Any health or social care professionals who are keen to learn how to reduce the burden of AMR

Why attend? Learn from national and regional experts including Dr Vivienne Weston (Nottingham University Hospitals Trust), Dr Russell Hope (PHE) GPs, dentists and others to explore exciting new initiatives and discuss practical examples that can be implemented locally

Places are free, but limited, so book early!
