

Kidderminster Medical Centre

Do you want the best
of both worlds?

Working in an individual practice but with the knowledge, support, drive and passion of a large partnership

If that sounds like you then you may be what we are looking for!

WFHP was formed four years ago and due to our rapid expansion, we are looking for a **SALARIED GP** to join our Kidderminster Medical Centre (4–8 sessions per week). Based in the heart of the beautiful Wyre Forest, with great schools and close proximity to Birmingham and Worcester we are a friendly and forward-thinking practice.

As part of a larger partnership of six practices, the team takes genuine pride in making work stimulating, challenging and rewarding. We work innovatively – our team of GPs, ANPs and HCAs work alongside paramedics, physiotherapists, mental health nurses and physician associates. We are seeking a forward thinking candidate who shares our passion and can assist us and WFHP in becoming the best it can be. We are passionate about the development and retention of our staff. Partnership opportunities are available for GPs who feel they would like the opportunity to own and contribute to their own business.

If you would like to speak to someone in confidence,
please contact Amanda Williams, Site Manager at amandawilliams3@nhs.net
or Dr. Emma Cull, GP Lead Partner at emmacull@nhs.net
