More About the Day...

Our Herefordshire & Worcestershire GP Workforce and Celebration Event is open to all general practice staff, and those with interest in working in general practice in the area.

We will be celebrating the Year of the Nurse and hearing about the achievements of our Nursing and GP Workforce with Keynote addresses from Karen Storey, Professor Tamar Thompson OBE & Professor Veronica Wilkie.

The event will culminate in our first ever Herefordshire and Worcestershire General Practice Awards Ceremony.

Stay for the day, or just come for an hour or two and chat to the representatives from the many teams supporting our workforce across Herefordshire and Worcestershire.

A detailed programme will be shared early March. Avoid disappointment and book your place now!
